From the Richmond Whix.] TELEGRAMS.

We received a telegram last night, but it contain nothing whatever worth publishing except the fully

[By Special Blectric Telegraph.] MESSAGE OF OLD ARE. TO THE PEDERAL CONGRESS JULY 4, 1881. Once more, representative, sension, all,
Y us mus to my cantul, swift at my call.
Ya well; it runks something important to do
In this most discrepable national size:
For since I came hither to run the machine.
Discribed in South cap and in full Lincoin green.
There's ine devi to cay in the whole discrepable at the most of the world and one may refuse the deviation of the whole discrepable at the result of the more in the whole discrepable at the result of the more in the world and the more in the same of a function of the more in the same of a function of the more in the same of the more in the same of the more in the same of the position of the same of the

For the panic's firstions and nacody start.

I have started no was of invesion, you below,
Let who will pretent to deny it—that's may
But I saw from the Waite Mones an impulsative,
Which they told me was known as Jeff. Davis' day,
A waying above alex unders high,
I condition my givernorms, if order the sky:
Above my Alexandria (san't), Bates?
Reformable a hombon—what rights have the State
So I ordered vorus Elizabith to take the ray down—
Mrs. Lincoln she craved it to make a new gorn—
Hut young Elizabith he kind or put sha in the race,
And came back in a salvaniged burial case;
Her then factors, the country, he put his desert.
The panic's Littlewall and submit's buria.

It is true I went elegeners which fried for a week It is true I such dearmore which their or a work to sience the related down there at the creek i Bet Deer and at Game Point about fifty or more Rived command by In a time on the short.

And or themsed on indicates practiced to fire 'em. (Contound these Virginesis we never can the 'em).

Who made, amen it our shooting and crippled our fire flow to remiently ordered a harry frest.

With deeps full or passessors dead-basis indeed. What seem that of passengers, decreased was used for the passenger of fresh colling there are all the first and they killed Captain Ward In a means of the President— "twee devillab land—But in aging of all this, the relabelling a sport, The panic's notitions and nobody's hart.

Herewith I beg leave to submit the report Of Satter, the seneral, conestming the sport. They had at Great Bethel, near Fortree Mourne, With Will and Magnater, some four weeks attached And here is no near a more re kiess introder. I never have known than this Colonel Magnater. He has taken the 'confurt away from hid Frint, And Thomas on a carrierable runn out of birth! He has taken the 'Ambiert away from this Fritti,
And thrown our peninrular plans out of Jeinti,
While in mattern of warfare to him General Buffer
World serve to the unit mostly in act as a rutler;
And the immount rebole will call to wur faces.
The light of Great Bellel, the "New Market Hassay"
Then supered to Euler at once with whoever
Can drive this Marroder case into the river;
And I shall be confident still to sweet. That the panic's firstions and mabody's hurt,

The my promoce, perhaps, herein briefly to state. The state of my province , surry of late, Mission I and Maretend—one has the paw Of my Loop and her, and one has the law Of my Lose upon her, and one has the law
Called mark at preclaimed introuch her bunders and either.
Buth one cru hed, a sig 'shing, I make field to say, if he said bunder of the said her bunders with the said but the minotone roll or me d'uni.
In the latter vie seaport randword (adwallader.
To unaoutle Freedom, and though the crowd to lawed her,
Lecked on the Missory, above and it is plain,
With Merryman, Wahen Carnes and Katle,
And as for thus or observed demand. Jongs Taney,
For much, I wand gut time on board of the Pawner.
And make his decisions a little more cutt.
For the passive facilities and subody's burt. For the panie's ficutions and nebody's burt.

And now I'll fast say what I'd have you to do In order is put your new prelifiers through—
First, three hundred millions a wanted by Chase,
He cantabrum larger the poerromen's face;
And Cemeram wante, for the use of old Sout
Some three hundred thousand more mention he's get, Some three how red thousand more menting he's g Then civin new trun-plate sings in stant shells. Are leadly demanded (must have 'em' by Welles; Por England, the budy, won's stand our blockafe, and invites that we shall not embarrase her trade; But who feurs the Entleh ? I'll secondly time 'em As the se we want in Edition 7 for the form,
As the se we want is F. Pluribus Unam.
For I am myself the whole United States,
Constitute a and Laws (if you doubt it ask Rales).
The star-space of hanners we holday white
Rurah for abe Lincoln, there's nobody burt!

STRUGGLES AND REWARDS.

he was old enough to be trusted in so respon-

which he had marked out, and which was to prepare him for his life-empleyment. How he

He lived in a poor room, almost unfornished; our city. A few words of sevice on this topic he fared very plainly, almost cordidly at times, may be of great benefit to them.

To this end he accepted gratefully behaved with great courage and good temper. the overlures of the great man of his parish After the garrison was relieved, they then ob the overtures of the great man of the parties. After the garrison was renewed, they then out to visit his family, nor did be hesitate to distance plenty of liquor, and the result was close to his host the want he so keenly felt, much insuhordination and disease. Majoranties. Also, and the conclusions at which he had arrived. General Wylle, of the Bombay army, testifies Mr. Glasson was a man of kind impulses, though entirely devoted to the world. He could appreciate the manly frankness of his young pastor, and readily understood the causes that made him so swkward in society. He urgently repeated his invitations, and was warmly secound by his wife and daughter, amiable and accomplished women, who were neithing loth to cultivate the acquaintance of a young man of great learning and ability, nor

the highest of the land. But he was poor, even very poor. His stipend barely sufficed for his own wants, and, by strict economy, to pay, by instalments, a small debt that he had been obliged to incur for books, and other necessaries, at the time of his ordination. He was young and unknown. It must be long before he could hope to occupy a position such as Apple Gleason had a right to claim from her husband—such as would satisfy her pa-

Besides this he saw himself accused of seekng to gain her affections under false pretenses of mere social needs, his conscientiousness re volted againtst again presenting himself be-fore her, with thoughts of love is his heart, and he remained absent so long that Mr. Glea-son drove over to inquire if he were ill, and to add his own persuasions to an urgent invitaon from his wife and daughter that he should visit them. So Arthur, unskilled in excuses, beautiful girl whom he loved, and had determ-

ed to love in silence. Alas! that visit was doomed to coush even | ter S ascribed matrimental intentions to the young minister, and, after consultation with her JONES P. Johnson M P. Jones L B. Jones H P. manner, to say some words to him which Kirk S; King H B; Ketchung L; Ming M; Kirby M. should forever put a stop to the presumption, as she could not help terming it, that he might have entertained. She had never thought of him as a lover until this rumor reached her, Mullion M R. Magrigan E; Monstoy H M; Mullion M R. Mullion M R.

been allowed to pass unnoticed, and his conduct on this visit confirmed her suspicions.

Of will tell him at once 3 she thought, as she profited the suspicions.

Norwood J. because I treat him kindly, that I am giving OWEN F A; Obara C. tim encouragement; and besides, it is but jus-ice to let him see at once how hopeless such P. Palmer L. W. Paschal S. A. Phimmer M. D. Paw. celinirs must be 27.

So she said, aloud: "I believe you have never solemnized any QUINLIN M. rriages since you have been in the parish, Rongers n M. Mr. Lincoln,33 that ceremony before the close of the summer.

I have naked papa to mention it, but he always forgets. I was engaged to Mr. Lea before we woot M B; Williams J T; Winner R E; Williams F M; isft the city, and he expresses a wish to be married before autumn. And we are very descrows that you should officiate on the occa-

Annie was too much confused herself to observe the signs of deep agitation that swept over Arthur's face, and made his form sway like a wind-trased tree. Neither spoke for several moments, then Arthur, to whom a slicint prayer had given strength, assured his companion that he wished her all happiness, and would not fail to show her that his wishes were sincere, by doing all in his power to prove that her had been all to show her that his wishes were sincere, by doing all in his power to prove that her had been all happiness.

Therefore, he was a sincere is successful to show her that his wishes were sincere, by doing all in his power to prove that her had been all happiness.

Therefore he was a sincere is successful to show her that his wishes with the had been all happiness.

Therefore he was a sincere is successful to show her that his wishes were sincere, by doing all in his power to prove that her wishes the had been all happiness.

Therefore he was to obtain that swept J. Braddewin R. Braddew J. Braddew R. Braddew S. Braddew S. Brandew R. Brandew R. Brandew R. Brandew R. Brandew R. Braddew S. Braddew S. Brandew R. Brandew R. Brandew R. Brandew R. Brandew R. Braddew S. Braddew S. Brandew R. Brandew Annie was too much confused herself to obmote that happiness. Therefore, he was at her service on the occasion which she had referred to. Then Aunie found her voice, and there was no further occasion for him to speak.

As carry as possible be took his leave, and returned to his solitary home, to wrestle alone with his anguish. with his anguish.

the promise he had made her. As the distance of God, before his altar, he must utter the words that made the woman he loved above all Figure 19, Fisher D B. Fly W D. Flynn M E. Foresthat earth could offer, the wife of another. ed task, even to the bitter and. No hand-clasp was more cordial than his own, no words of congratulation more excuest or sincere; and Annie looking at him, listening to the even DM; Grant JL; Graydon GWA; Gilmore A. ed task, even to the bitter end. No hand-

"How was he to live there?" his friends asked.

He answered, unfalteringly, with the cheerful mile that always seemed to make go do his words, that he would work his way, teach winters, and in the vacations, help lagging students, do anything to earn the necessary money. His books would be his chief expense; but he had no fears about the result if his health continued good. Somehow his cheerful views infected all who listened to him, and they became as sanguine about the result as he was.

Fortunately before he commenced this sirringly, with the cheerful views infected all who listened to him, and they became as sanguine about the result as he was.

Fortunately before he commenced this sirringly, his elder brothers had reached positions where they could assist their parents, and one sister was well married, while no young at the result of the sincere affection he gave her. He has not consider the size of the sincere affection he gave her. He has no fears alound the result as he was.

Fortunately before he commenced this sirringly, his elder brothers had reached positions where they could assist their parents, and one sister was well married, while no young at the result is well married, while no young as the schoice; he loves his wife truly; and both find in Mrs. one sister was well married, while no young the day magivings at his choice; he deligned to require care. The mother's tasks were considerably lightened, and the family more constotable in all respects the family more constotable in all respects than they had been for many years, so that this dutiful and conscientions son was quite this dutiful and conscientions son was quite. the family more confortable in all respects than they had been for many years, so that this datiful and conscientious son was quite the wise purposes of an overthis datiful and conscientious son was quite been wrought the wise purposes of an overthis

We would also call the attention of levee and railroad contractors to our stock of Wheelbarrows, Shavels, Spades, Mattocks, etc.

ACCORDEONS, PARLOR ORGANS, DURSUANT to a decree rendered by the Suprema contractors to our stock of Wheelbarrows, Shavels, Spades, Mattocks, etc., too summarous to summarous to summarous to summarous to summarous and others are complainable, and Marths A. Coleman and others are computationite, and John Pitman and Archur M. Taylor are defendants, I w.R. on B. GRAHAM Saturday, the 27th day of July, 1861,

OND MONDAY in September This Institution, I OND MONDAY in September This institution, it is believed, after supering relations for the acquisition of a thorough and polabel education. The Bonds and Treneury Notes of the Confederate States with the neuthern line of said Trenevant street one will be taken at par value, or Octan at the market price, in parment of dues. The charges, in advance, for heard and regular fution, are \$161 per sension of twenty weaks. To secure structures persons should make previous application, as the number of pupils is should not be formered to the morth-east conner of the sension of the sensi about one hundred and fifty feet to Burber street; theuce westwardly with the most line of Soller street about two hundred feet to the mosth-east councy of Shabby and Stater streets; theree perthwardly with the east line of Shelby wirest about two hundred and sixty test to the beginning.

Kald traperty will be said on a credit of six and twelve menths from the first day of April, 1861, the perchaser executing notes with good security, and a lieu being retained upon the property natil the purchase most a profit point.

THREE GIN STANDS, for which I am the only I traveling agent in North Mississippi and Transessee, differ from all others by occasioning the use of a
Steel Comb Bresh, with two Birstle Erushes, thereby
subjecting the Cotton to a slight carding process without
the least injury to the shape, and at the same time removes much of the dirt, with other foreign utbetances.
Attached is also a Duster, in front and under the Saws,
watch adds increaly to its capacity for cleaning and improving the sample. It is not complicated or liable to
get out of order; can be run with the ordinary power
sued; glas very rapidly, and performs well n every
respect.
